When a user's habit is clicked, it takes to this screen, where you can view the details of the habit, including the progress.

The habit name, reason, start date, occurrence, time and progress are all text views. Nothing is editable in this screen, because the habit belongs to someone else.

The mockup shows a user profile page. At the top is a large grey circle for a profile picture, followed by the text 'Full Name' and '@unique username'. Below this is a green 'Edit Profile' button. There are three buttons: 'Follow Requests', 'Following', and 'Followers'. Below these are three tabs: 'Finished Habits', 'Calendar', and 'Add/Edit'. The main content is a table with two columns: 'Habit's For Today' and 'Progress'. The first three rows show habits with 'Add to Finished' buttons and progress indicators (checkmarks). The last three rows show habits with 'Add to Finished' buttons and 'Next Time' dates (Fri, Wed, Oct 23).
